TRACK SELECTION (CIRCLE ONE)

SUSPENSION OPTIONS (CIRCLE ONE)

Note: Suspension is only necessary when lighting or ventilation fixtures obstruct the track system.

Do you need the track suspended from the ceiling? (if NO, skip to Shipping).....YES / NO
 The track will be mounted how far below the ceiling?.....inches
 Will both ends of the track touch the wall?.....YES / NO
 If not, does one end of the track touch the wall?.....YES / NO

SHIPPING (CIRCLE ONE)

U.P.S. will not accept any package that exceeds 108 inches in length. If the order includes track, it can be cut into sections to reduce the costs of shipping. For each cut made, a splice will be provided. If a cut is not desired, alternate methods of shipping will have to be arranged for track lengths over 108 inches.

Do you wish to pick up your order or have it shipped?..... WILL CALL / SHIP IT
 Do you wish to cut the track?.....YES / NO

INSTALLATION (CIRCLE ONE)

Is installation desired by our licensed and insured contracting professionals?..... YES / NO

ADDITIONAL INFORMATION

The following pages ask for specific details on track configurations, track dimensions, and curtain sizes. Please be as specific as possible. If you have any other details or questions, either list them here or call the office at (714) 761-4543.
